Pre-Course Learning

Pre-course video learning (via Teachable)

All delegates receive a private Teachable link on confirmation of booking. Videos should be viewed before the day so more time is available for hands-on practical training. Access continues for one week after the course for review.

- Essentials of Er,Cr:YSGG · tissue cutting & operating parameters **[NEW]** — *Dr Mark Cronshaw*
- Diode lasers in orthodontics **[NEW]** — *Dr Mark Cronshaw*
- Overview of lasers in dentistry **[Updated]** — *Dr Steven Parker*
